I liked learning basic first aid in PSHE and computing lessons.

I liked creating a Volcano and being involved with Maths and Science club.

I enjoyed our Volcano experiment and using hula hoops to learn clockwise and anticlockwise.

I enjoyed funny BSL stories and working independently in Big Writing.

# Year 3 - Hazel class

## Spring B

# What's happened: Spring B

## Year 4 Pine Class

I loved learning about vibrations in science – I liked putting a tuning fork on my cheek.

I enjoyed baking our own Roman bread.

I liked learning about sound in science lessons.

I enjoyed learning about 'The Twits' by Roald Dahl in English.

I liked learning about what the Romans ate. It was great when we had our own Roman dinner!

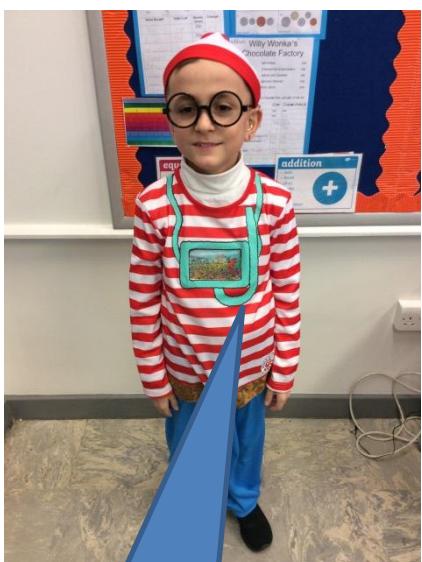

We made guitars in D&T to help us learn about sound.

We used bee bots and car bots to learn about direction.

## What's Happened Sycamore Class Spring B

I loved World Book Day!

I sorted shapes in different ways.

We made hot cross buns while we learned about Easter traditions.

# What's Happened Spring B Rowans Y5

I liked making a pink butterfly for my mom. I gave it her for Mother's day.

I have learnt shape names in maths.

I enjoyed maths this half term. I have learnt my 2,3 and 4 times table.  
I enjoyed reading Cinderella in English.

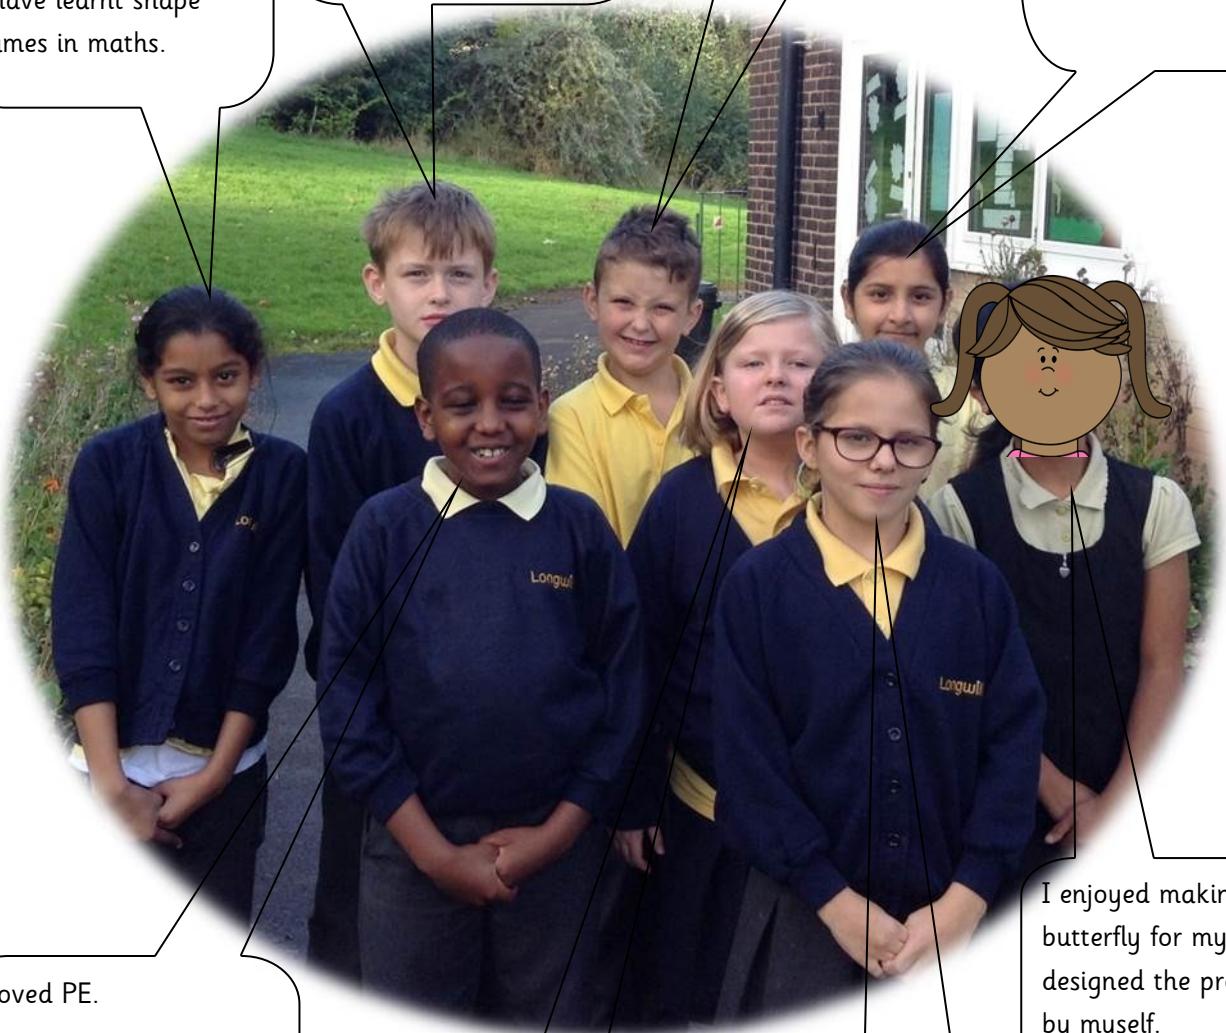

I liked swimming. I jumped in the water and swam underwater.

I have been to bike club, it was really good.

I like challenging Zak and Tia in Mathletics.

I am good at Mathletics.

I liked orienteering too.

I loved PE.

We did orienteering with a map. I thought it was easy. I liked working with Fikunmi.

I read Cinderella. She was sad and had dirty clothes. She went to a ball and danced. Her shoe came off but the Prince found her. They were happy.

I have enjoyed Forest school, even though it was cold.

I loved drinking hot chocolate and making pancakes.

I enjoyed making a butterfly for my mom. I designed the product by myself.

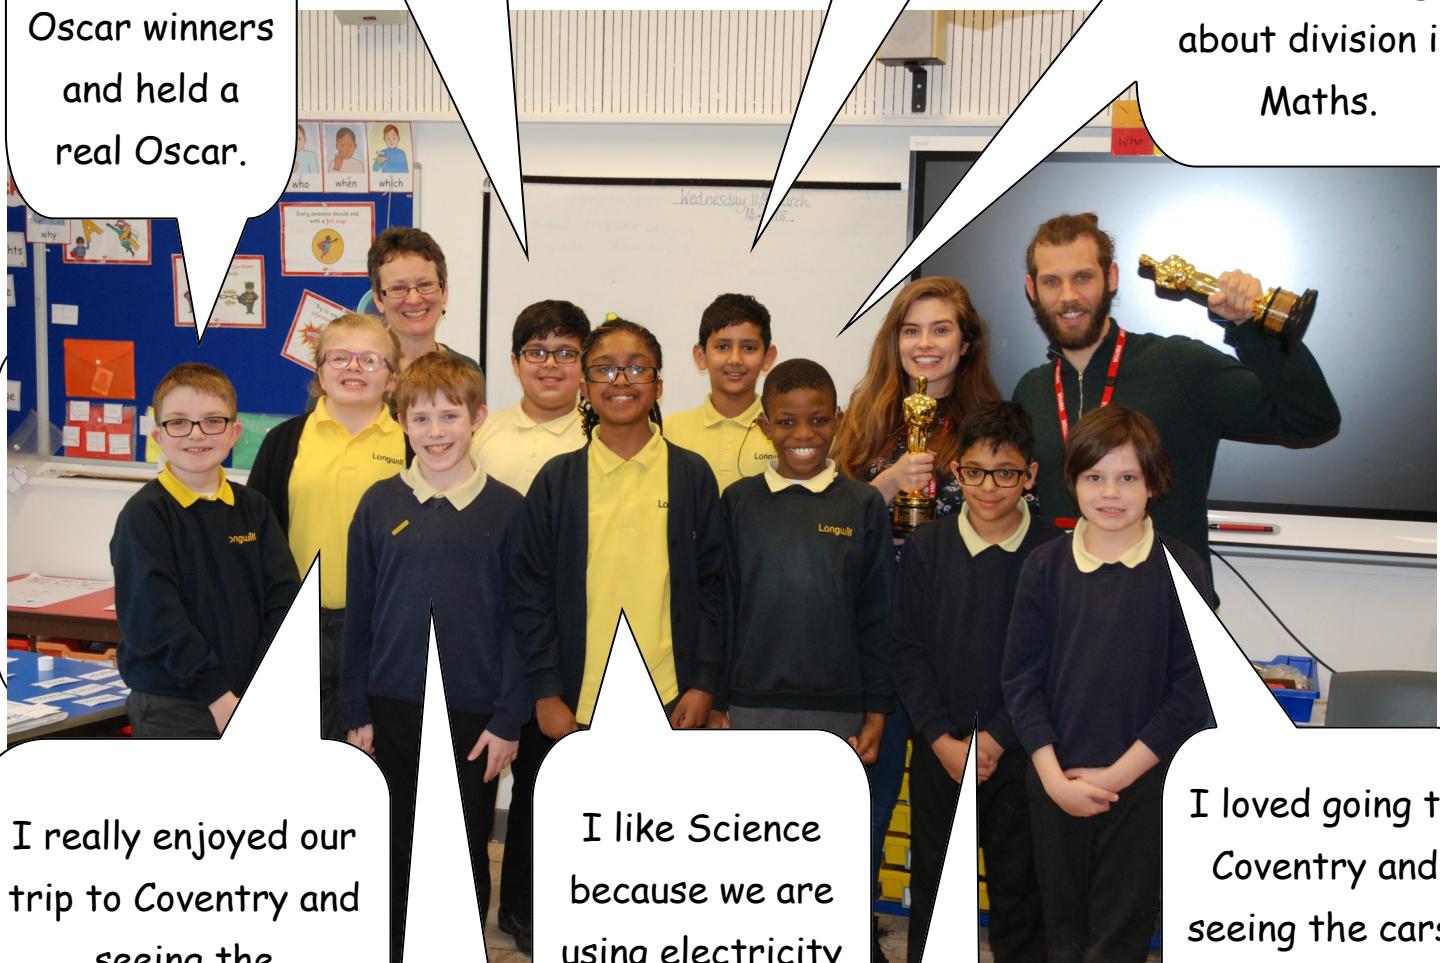

## What's Happened Y6 Oak

I have learnt more about fractions. I met the Oscar winners and held a real Oscar.

I have enjoyed doing Maths. It is hard but I am learning. I like learning about WW2.

Science has been really good. We have been learning about electricity and making electric circuits.

I loved seeing the cars and planes when we went to Coventry. I have been learning about division in Maths.

I really enjoyed our trip to Coventry and seeing the aeroplanes.

I like Science because we are using electricity to make sound and light.

I loved going to Coventry and seeing the cars. We sat in a Harrier Jump Jet.

I enjoyed going around Coventry Transport Museum, seeing all the vehicles. I also liked meeting the Oscar winners and holding a real award.

I enjoy doing Forest School on Monday afternoon. I change my clothes and go outside.
