

What's Happened

Spring B 2015

What have we enjoyed in Nursery

Spring B 2015

I liked using the
beebots.

Simran

I liked looking
at the pigs at
the farm.

Ansel

I liked going
swimming!

Kyrese

I liked watching
the puppet show
in Friendship
Week.

Milly

I liked planting
the pansies in the
garden.

Izzy

I liked stroking
the rabbits when
we went to the
farm.

I liked painting
all the
different
farm animals.

May

What we have learnt in Reception

Spring B 2015

I liked feeding the goat at the farm.

Leon

I enjoyed holding and stroking lots of animals at the farm.

Harveen

I have enjoyed going swimming. I enjoyed reading the story 'Dear Zoo'

Toms

I liked the animals at the farm.

Uzma

Our Thoughts...

I liked going to the farm and feeding the animals. I enjoy going swimming.

Rehan

I liked watching the turkeys at the farm. I liked seeing photographs of myself there.

Mustafa

I liked rolling the dice in PE and counting my steps as I walked forwards and backwards.

Karsel

I don't like swimming!

I liked the farm.

I liked learning about pets – dog, cat and rabbit.

Faith

What have we learnt in Year 1S

I learnt about different vehicles on our visit to the Thinktank.

Daniel

I enjoyed creating a Shaun the sheep picture for our story.

Huma

I enjoyed making a red train. I added my own wheels.

Kyle

I enjoyed the visit to think tank. I learnt about the different machines.

William

I made my own car. I attached the wheels using pegs.

Fatima

I liked learning about how to attach wheels to make a car.

Cody

What we have learnt in Year 1M

I am really pleased
with the yellow car I
made.

Michael

I enjoyed watching a play
about Benji and learning
about Shaun the Sheep.

Nazim

I enjoyed our trip to
the Think Tank. I loved
the motorbikes.

Abdullah

I learnt how to play
the trombone!

Sophia

I played the tuba.

Morgan

What have we learnt in Year 2

My alien is black and flat. He is good and kind. I like the dancing on Friday with Garry, especially being a butterfly.

I like Yoga bugs –we have thought about space travel, the jungle and Goldilocks. The teacher is Sophie. I like drumming too.

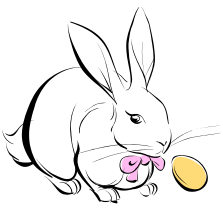

I liked making the aliens and watching Benjii's story. I liked looking at the globe and thinking about travelling by aeroplane.

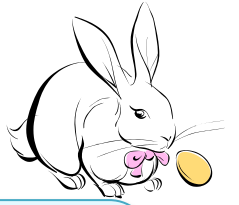

I liked the story about Handa and the animals- we discussed our favourite animals. Benjii and the Aliens was great too, especially making the aliens.

We have looked at maps of the world- the sea is blue and the land is green. I like Yogabugs too, we have to remember to focus and concentrate.

I liked our work about Benjii and the aliens. My alien is green. He is a puppet. I liked practising my skills at doubling numbers.

What have we learnt in Year 3?

I had to look at pictures and find the letters where that place was.

(orienteering)

George looked through his books and picked his favourite work. He choose a volcano picture he did in the style of Andy Warhol and his sequencing work using sponge painting.

When we asked Fikunmi what he enjoyed in class he signed 'George friend'. He has learnt about being a good friend in friendship week.

I have learnt about drawing. I have to draw gently (sketch lightly)

I like maths. Help times two.

(Doubling)

We wrote a summary about Cinderella. We stuck in pictures to help us with our writing.

'Cinderella'

Aayan decorated the fairy Godmother and then described her. 'Yellow dress'

What have we learnt in Year 4C

Usman enjoyed 'Gardening' with Hannah and planting onion bulbs.

Dion loves being outside and so 'Forest School' is a delight for him.

Chelsie loved cooking the bananas with chocolate inside them, on the open fire in 'Forest School'

What have we learnt in Year 4B Spring B

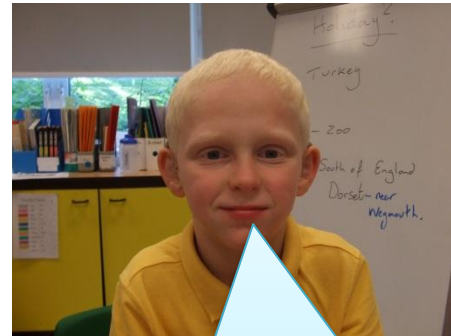

I have learnt how to add fractions together. I have written play scripts in English and performed them in Drama in the drama studio in Victoria. We have looked at how leaves and flowers develop from buds in Gardening.

I have enjoyed drama over at Victoria School. I have learnt to multiply single digit numbers. I enjoyed playing the brass instruments and listening to the different types of music in class. I liked making roman bread in Forest School

I like adding in Maths. I enjoy reading now I can read more words. I enjoyed making bread, and eating it, in Forest School.

We have been learning about rainforests and what the weather is like there. We have been investigating how animals are grouped, for example; mammals and reptiles. We have been learning our times tables in Maths.

What have we learnt in Year 5

Tyrese enjoyed learning lots of different things about time and making the space rockets.

Claudia loves reading and doing Maths.

Joshua loved acting out being the alien crashing into the Moon. He did this in Assembly.

Fiza enjoyed the story about the boy on the Moon. She loved acting the story and thinking about feelings.

Paul has enjoyed our story in English about the boy and alien in space. The boy helped his friend.

Alisha really likes helping other children in school. She is enjoying writing in English and doing PE.

Daniel has learnt a lot about the Earth travelling around the Sun and the Moon travelling around the Earth. He is very proud of the black rocket he made.

Shoaib liked reading about the Martian and the boy. He liked acting out the story and thinking about being a good friend. In Science he liked making rockets.

What have we learnt in Year 6

Spring 2015

I have enjoyed finding out how chocolate is made by computers now instead of people - Mahabub

I liked learning about adding and subtracting in maths and I liked the Benji show about friendship - Megan

I have enjoyed finding out how chocolates used to be made at Cadbury World - Abdullah

I really enjoyed learning about how to make chocolate from the staff at Cadbury World - Lewis.

I have enjoyed learning how to ride my bike on the road safely - Lilly

I have enjoyed learning how to use mod roc to make a Mayan mask in DT - Joyal.

I have enjoyed acting in a short play about healthy relationships during friendship week - Amna

I have enjoyed learning about George Cadbury and why he built his factory in Bournville - Karmveer
